

## **Assistant Conservator Intern - Ubbink Book and Paper Conservation**

The assistant conservator will carry out tasks related to the treatment and documentation of treatments as directed by their supervisor, the senior conservator. Duties will include photographing artifacts prior to, during and post treatment. The assistant conservator will also apply basic conservation techniques as directed by the senior conservator, and aid in the conservation of complex conservation treatments being carried out by other staff members as directed. The assistant conservator shares in the responsibility of maintaining and cleaning the work space; as well as, tools and equipment.

Duties may vary depending on the skill level and experience of the successful candidate.

A successful candidate for this position will have excellent hand skills, a desire and drive to learn, and the ability to carry out tasks as directed. Former experience in visual arts, making crafts, or woodworking is an asset. Effective oral and written communication skills are an asset; as well is, knowledge of artifact documentation and photography.

**Start date:** Monday, June 3, 2019.

**End date:** Friday, August 23, 2019.

**Compensation:** \$4,080 for the duration of the work term at 22.5 hours per week.

### **Terms**
